

## Kitabis Connect™ CO-PAY ASSISTANCE PROGRAM

PARI offers a co-pay program that **covers up to \$1440 per prescription** for eligible commercial insurance patients.

Kitabis Connect will automatically work to ensure the co-pay benefit is applied to eligible prescriptions with the specialty pharmacy.  
See reverse side for details.

PARI offers a co-pay program for eligible commercial insurance patients who are prescribed Kitabis Pak (co-packaging of tobramycin inhalation solution and a PARI LC PLUS® Reusable Nebulizer). This is an easy to use electronic program administered by your pharmacy, does not require a printed co-pay card, covers up to \$1440 per prescription and holds no yearly maximum. Restrictions apply. Please see eligibility below.

## **ELIGIBILITY:**

Available to patients with certain commercial insurance prescription coverage for Kitabis Pak. This program is not available to patients whose prescriptions are covered, in full or in part, under any federal, state, or government-funded insurance programs (for example, Medicare, Medicaid, TRICARE, Department of Defense or Veteran's Affairs programs) or where prohibited by law. Offer subject to change or discontinuance without notice. Restrictions, including claim dollar maximums, may apply. This is not an insurance plan.
